Fall Protection Plan	
Employer-Specific Fall Protection	

Participant Engagement

Many safety courses are dry, not-relevant and boring. Really boring.

Our courses are NOT boring. While it won't be like going to Disneyland, participants will find themselves being engaged throughout the day, and they WILL actually learn something.

Technology

We integrate technology into our training sessions, and participants will complete a final exam using their smartphone or other internet-connected tablet device.

¹ **Travel Costs:** \$80 / hour, Ferry / Airfare cost + 15%, Accommodations \$250 / night, Meals \$55 / day.
